Brief description of committee duties: The focus of this group is to care for incoming students and their families during their first year at Veritas. The group works to connect new and existing families and supports them as they transition into the school.

Are there any duties that can be completed at home? If so, what are these? This is a very new committee to Veritas, and we are looking at a variety of ways to make connections via phone, email, or fellowship opportunities when it is safe to do so. There may be some virtual or in person fellowship meetings as well.

Estimate of monthly/weekly time commitment: 1 hour monthly

Ideal number of committee members: No limit
