Brief description of committee duties: Veritas wants to help faculty, staff members, and families who need help during challenging times, such as illness, death in the family, or crisis. This committee coordinates meals, as well as works with the Warrior Moms and Warrior Dads to pray for these families in these situations. The committee will send an email and a Sign-up Genius link for people to sign-up for a specific day to help the family in need.

Are there any duties that can be completed at home? If so, what are these? This committee is perfect for anyone who is willing to prepare or purchase a meal from a grocery store or restaurant for a family. You can participate as often as you can, but it is not required to participate with every request.
