INTELLIGENT FAITH:
EQUIPPING MINDS AND ENGAGING HEARTS FOR GOD'S KINGDOM PURPOSES

Mission Concept

The mission of Veritas Christian Academy is to partner with Christian families, providing their children a Christ-centered, classical education to cultivate an "Intelligent Faith," equipping minds and engaging hearts for God's Kingdom purposes.

BY CHRIST-CENTERED WE MEAN:

- All subjects will be taught as part of an integrated whole, based upon the truth of God's Word.
- A clear model of the biblical, grace-centered Christian life and worldview is
- exemplified through repentance, love, and faith.

BY CLASSICAL WE MEAN (adapted from ACCS):

- Classical Christian education uses methods and content that develop thinking, articulate, well-rounded graduates. Our schools aim to provide the best possible education to help every child reach their God-given potential.
- Age-specific K–12 learning shaped by the time-tested medieval trivium.
- Classical Christian schools develop skills to equip students to be lifetime learners by teaching students that every study.
- Christ-centered curriculum that is robust and engaging.
- A nurturing community that is Scripture shaped, cross-formed, and rooted in the wise conduct of the ages.

Veritas Christian Academy Philosophy

- Parents have a God-given responsibility for the education of their children; therefore, parents are expected to take an active role in the education process.
- Teachers and staff who stand in place of the parents during school hours should genuinely model the Christian world and life view with love and grace.
- Since God's truth is revealed in the Scriptures as well as all creation, the Christian worldview approach integrates the truth of the Scriptures with learning in all subject matter.
- We aspire towards academic excellence and conduct that is God-honoring in an attempt to love the Lord with all of our heart, soul, and mind.

- Academic and character development should promote principled reasoning, a love of learning that brings glory to God, and an attitude of servant-leadership which allows the student to become all that God calls him to be.
- Prayer is essential to this Christian institution, and we solicit the prayers of all who are involved with its mission so that the unity of the Spirit and the peace of the Lord will be manifest in all our activities.

Veritas Christian Academy Vision

We envision generations of Christian men and women of intelligent faith, equipped and engaged as caretakers of the Gospel, to defend and advance the historic Christian faith taught in the Scriptures, and to serve the Lord with excellence, joy, and love in their homes, their communities, their vocations, and in all their interactions with a world in need of Christ.
