

## 2021/2022 PTF Committee Profile

**Committee Name:** Salt & Light Serve-a-thon

**Committee Chair Organizer:** Adam Guice

**Email:** [adamguice@trinityoffairview.org](mailto:adamguice@trinityoffairview.org)

**Phone number:** 828-231-5812

**Brief description of parent chair coordinator duties:** We want to have at least One Parent Chair Coordinator for each grade to coordinate with the teachers and the charity we are adopting. You will focus on the many ways we can partner with that one agency throughout the year. The number of opportunities is determined by the chair and the charity. You will coordinate with the classroom parent of your grade to recruit volunteers as needed and allowed by the school. You are provided a list of charity agencies we have worked with in the past.

**Are there any duties that could be completed at home? If so, what are these?**

You can coordinate the various projects from home by emailing and calling volunteers as well as the charity to line up the opportunities for students to serve.

**Estimate of monthly/weekly time commitment:** Seasonal but 8 hours throughout the year on campus (or off campus) doing hands on ministry with the students and the grade you are responsible for.

**Ideal number of committee members:** 1 or 2 per parent chair coordinators per grade or volunteers to serve alongside the chair coordinator
