**January 10th, 2024**

Dear Potential Sponsor,

Each Spring, the Veritas Christian Academy Senior Class caps off its High School education with a trip to Italy visiting many of the historical sites they have learned about in the classroom.

To make this trip possible, the Class of 2025 has been charged with raising one third of their travel costs for 24 students with a goal of \$42,000. Please consider supporting our fundraising efforts with a donation. Cash, check & online donations are accepted. Checks may be made to Veritas Christian Academy with a memo of "Class of 2025".

We sincerely thank you for your kind consideration and are grateful for your support in making priceless memories of our senior trip possible.

Best Regards,

*Class of 2025*

Class of 2025

*Thank You  
for your  
Support*
