

2021/2022 PTF Committee Profile

Committee Name: Clothes Closet

Committee Chair Names: Julie Wood

Email: juliefwood@yahoo.com

Phone number: 828-273-9589

Brief description of committee duties: Collect, sort, and place donated uniform items into the Clothes Closet and tidy the Closet as needed. Plan and arrange end of year and/or back to school clothing drives and sales when appropriate.

Are there any duties that could be completed at home? If so, what are these?

Yes. Donated items can be sorted at home and brought back to school to place into closet.

Estimate of monthly/weekly time commitment: The clothes closet is a flexible committee that you can easily work in to your schedule, whether you work away from home or in the home. Ideally, one volunteer will choose a month to pick-up, sort, and place donated clothing into the closet and tidy the closet as needed. Volunteer can check the closet weekly or every other week of their designated month (whatever works best with their schedule). If a clothing drive and/or sale is planned, volunteers will meet (in person, email/text, or virtually) to plan the sale details, organize clothing, and "work" the sale (which in the past was on Meet the Teacher Day the Thursday prior to first day of school).

Ideal number of committee members: 10
